SIRI AND THE PIRATES *by John Cospers*

Bloody, Scabby, and Captain Longjohns enter from stage right. Captain Longjohns waves a treasure map about.

ALL: Arrrrgh!

LONGJOHNS: This be it, me hearties! This be the long lost map of Captain Bleachy Bones! X marks the spot where we will find more than thirty million pounds in Spanish doubloons!

ALL: Arrrrgh!

BLOODY: Aye, Captain! It's been many years since ye started looking for the map. Tell me, how did you get it?

LONGJOHNS: How do ye think I got it? I found the scallywag who had it, put me sword to him, took the map, and fed him to the sharks, Arrrrgh!

SCABBY: I thought you said you found it at a yard sale.

Captain Longjohns stares at Scabby, then draws his sword and bops him on the head with the hilt of the sword.

Ow! I mean, yar, I bet them sharks never ate so good, arrrr.

LONGJOHNS: Mr. Bloody, is the crew aboard?

BLOODY: They arrrrrrr, captain!

LONGJOHNS: (hands Bloody the map) Then hoist the mainstays, weigh the anchor, and set a course for the open seas and danger!

BLOODY: Aye, captain!

Bloody pulls out an iPhone.

Siri, please set a course for the lost treasure of Captain Bleachy Bones.

SIRI: Calculating route.

LONGJOHNS: Mr. Bloody, what be ye doing?

BLOODY: Setting a course, sir!

LONGJOHNS: You can't set a course with that... that magic box!

BLOODY: Oh yes I can, sir. Siri here will give us turn-by-turn navigational coordinates. We'll be there in no time.
